

Tourism.

NINE (9) DAYS TOUR SAFARI

The accommodation is full board throughout the safari starting with lunch on day 1 and finishing with breakfast on day 9.

During the safari, there is a chance to do extra activities apart from the usual game viewing. The extra activities are charged separately but are not included in the prices given. They include:

1. Visit to Maasai villages for cultural experience in Maasai Mara - \$30 per person
2. Hot air balloon ride in Maasai Mara - \$450 per person and this includes the 1-hour flight and a champagne bush breakfast after landing
3. Night game drive in Ol Pejeta Conservancy - \$40 per person
4. Guided bush walks in Ol Pejeta - \$40 per person
5. Lion tracking in Ol Pejeta - \$40 per person
6. Endangered species enclosure where there is the last 2 remaining northern white rhinos in the world - \$40 per person.
7. Horse riding with the endangered rhinos - \$40 per person but only for experienced riders.

Extra lunch box on the way will cost \$30 per lunch box; prior notice must be a day before.

The vehicle is privately allocated to the group during the safari unless otherwise.

It will be a private guided safari and there will be no one to join the group during the safari.

The clients will choose to book plane tickets themselves or we can plan and book the whole travel.

Please note: November to March are dry months in Kenya with very little to no chances of rain, June to August are high season travel to Kenya.

All visitors' visas can be acquired at the airport on arrival for \$50 per person therefore there will be no need of getting visas before your arrival.

TRAVEL ITINERARY

1. Southern circuit - (south of Nairobi)

SOUTHERN CIRCUIT

This option starts from Nairobi to parks located to the south of Nairobi.

Day 1 - Nairobi to Tsavo West national park (stay in Kilaguni Serena Lodge)

Day 2 - Tsavo West national park

Day 3 - Tsavo West national park to Tsavo East national park

Day 4 - Tsavo East national park - stay in Ashnil Aruba Lodge

Day 5 - Tsavo East National park Day 6 –

Tsavo East national park to Taita Hills game sanctuary - stay in Sarova Salt Lick lodge in

TaitaHills

Day 7 - Taita Hills game sanctuary to Amboseli national park

Day 8 - Amboseli national park (stay either in Ol Tukai which is inside the park)

Day 9 - Amboseli national park and drive back to Nairobi.

This option is less scenic and the chances of seeing the big 5 here are very small. However, lions, cheetah, leopard, elephants, buffalo, hippos and among many other species of wildlife will be possible. Rhino is extremely rare south of Nairobi. Landscapes will be not too different apart from a bit of bush in the Tsavos and grasslands in Amboseli and Taita.

You will notice that we have included three days in Tsavo East national park and this is because it is the largest park in Kenya covering a staggering 13,747sqKm.

There is also the possibility of our clients visiting orphaned elephants at the David Sheddick's Wildlife Trust elephant stockades in Tsavo East.

This visit is only possible if you adopt an elephant (that is at the Tsavo stockades) and after you get a written permission from the organization to visit them on the date you will decide to visit.

While there our client will be able to meet the adopted elephant, see them getting a bottle of milk after being out all day with their carers and get to touch them.

There are also several other animals present at the stockades that have been rescued which are buffalo, eland and zebra.

A visit here is particularly a very big hit with kids so should you choose to take this option then consider adopting an elephant and visiting them in Tsavo East.

Accommodation while at the Parks and Nairobi.
